Frequently Asked Questions

- Q: How thick should I cut my steaks?
 A: Average is ¾ inch thick, but can do thicker or thinner based on personal preference
- Q: How many Steaks should I put in a package?
 A: Average is 2, but depends on personal preference
- Q: What's the difference between a tenderized round steak and a minute steak?
 A: The tenderized round steak goes through the tenderizer 2-3 times averaging roughly 1 pound and the minute steak goes through 4-5 times averaging roughly 1/3 pound
- Q: How many pounds should my roasts be?
 A: Average is 3 pounds, but varies based on personal preference
- Q: What size packages of hamburger should I get?
 A: You can select 1, 1½ or 2 pound packages
- Q: I don't want ribs, brisket, soup bones, or stew meat. What happens to that meat?
 A: These will be trimmed and become ground beef or sausage items

Please read the following information on getting your own beef sausage back

- o All fresh cuts are automatically your own meat coming back.
- o All ground beef, beef patties, solid piece jerky, and all items listed in the other processed meat section are automatically your own meat coming back.
- o We require a 25 pound minimum of meat per item on beef slaughtered here. Meaning – you have 25 pounds of beef trimmings, you can order Beef Sticks.
- o We require a 50 pound minimum of meat per item on beef trim brought in. Meaning – you bring in 50 pounds of beef trimmings, you can order Beef Sticks.
- o This is all your own meat coming back as long as you request an own batch!
- o You may combine your meat with a friend and share the 25 or 50 pound minimum on that single item.
- o There is an extra \$0.25 per pound upcharge on all own batch sausage items.
- o When bringing meat in please make sure it is clean and well packaged to avoid cleaning charges
